Report of Treasurer: Account balance is currently \$23,537.35. The club expects to start incurring some expenses for the national specialty coming up soon.

Report of Nationals Planning committee: The membership did vote, and the committee has been notified of the selection for the AKC Parent club specialty judge. Jennifer will reach out to get a contract completed and of file for her. The selection will be released to the membership once the event and judge are approved by AKC. The judge selected has been asked to give up the one Bracco assignment she had prior to our NS, and she has agreed to those terms.

The committee is working to design the registration forms. They need to nail down the pricing on some items such as meals, bird costs etc. before being able to finalize an end cost to each registrant.

Club elections- Jennifer will send a final call out to membership if anyone has nominations or if anyone is interested in running for the board.

Memberships- Vote needed on Raven Klone for Full status- Gary in favor, Amanda 2nd, all in favor none opposed. Approved. Jennifer will notify Kim.

Other business: Gary mentioned the upcoming Raduno in Italy in 2023, might be nice to get together information on where to stay and the ins and outs of attending for anyone considering going over.

No other business raised. Meeting adjourned 7:56pm EST
